1. Anonymous Data Collection and Use

To maintain our Website's high quality, we may use your IP address to help diagnose problems with our server and to administer the Website by identifying which areas of the Website are most heavily used, and to display content according to your preferences. Traffic data collection does not follow a user's activities on any other websites in any way. Anonymous traffic data may also be shared with business partners and advertisers on an aggregate basis.

We may use the standard "cookies" feature of major web browsers. We do not set any personally identifiable information in cookies, nor do we employ any data-capture mechanisms on our Website other than cookies.
